Our mission is to provide information and referral, education and training, and peer to peer support to individuals with disabilities or special needs and their families.

Every Families Helping Families Region 7 staff member has a family member with a disability or is an individual with a disability. This unique perspective allows them to understand the day to day challenges and successes our families face.

Information & Referral

We provide information about disabilities and direct you to the resources you need for services or additional information. We also have an extensive lending library with topics ranging from education to health issues. The library is available to you, your child's educator's, and health professionals.

Education & Training Services

We provide support to parents of children with exceptionalities navigating the education process. Our monthly workshops are presented on topics relevant to the issues facing persons with disabilities and their families. Sign up our newsletter for articles, and other pertinent information.

Parent Support

Our knowledgeable, trained staff are parents of children with disabilities who teach other parents how to advocate and navigate the support systems needed when raising a child with a disability.

Resources

We provide individuals and families with a wide array of disability related topics including:

- FHF Region 7 Programs
